The Suburban Church League hosts local area Churches and Christian Organizations softball leagues on the west side of Rochester, NY. Our League is fully run by volunteers in an effort to keep the cost as low as possible. We play softball as fellowship between Christians playing a sport we love.

We have both Coed and Men's divisions on Tuesday and Thursday nights with games typically starting at 6:30 pm at various fields across the west side of Monroe County.

Our Coed teams must have a minimum of three girls on the field in order to qualify to play each game and we follow the USSSA rule book. Our league rules and more detailed information can be found at our website at [RocChurchSoftball.com](http://RocChurchSoftball.com)

Our League Fee is \$450 for a minimum of 12 games, running from May through August. We also offer playoffs for qualifying teams and an all-star game with representatives from each team.

For more information please contact Jason Miesch at [RocSuburbanChurchLeague@gmail.com](mailto:RocSuburbanChurchLeague@gmail.com)

We hope you can join us for a great season next year!
